To the Edstor of the Eagle :

amidst the tumult of war, at Dunvals Bluff, Arkansas.

Twenty years! How swiftly have they flown; what changes have they wrought Dana Says Tilden will not be us. Rebellion was then making its last and most desperate efforts for life-the death throes of a hateful career. Emerging from the hours of war, our country has enjoyed INTERESTING AND ENCOURAGa permanent peace and marvelous prosperity. Here in the new west an empire has been planted, and is rapidly advancing to the front in civilization, intelligence and Other News and Notes From the Na-

prosperity.

Here in this happy valley our worthy couple, like the wandering Arab, pitched remained, surrounding themselves with the Their eyes among the first looked upon this land in all its primitive beauty and myster-

ing a home in this bountiful land, they thought it fitting to celebrate with their family and friends the twentieth anniversary of their wedding.

stretched capacity. The following is a list of presents and the

DR. H. H. YOST,

PRACTICAL AND SCIENTIFIC

(Formerly of Des Moines, Jown)

This is to certify that I have been using glasses purchased of Dr. H. H. Yost, and so far have given good satisfaction. I believe the doctor understands his business, and would cheerfully recommend him to the public. All cheerfully recommend submitted, of which is respectfully submitted.

DR. C. GILLHAN

lota, Kansas, May 25, 1884.

FT. LEAVENWOPTH, KAN., May 16, 1884. Dr. H. H. Yout understands the principles of optics, and of fitting glasses to eyes requiring spherical or cylindrical lenses, thoroughly. B. E. FRYER, M. D.

Having used gineses for some thirty years, I can certify that the Brazilian pebble lenses are the best I ever used—such as Dr. H. H. Yost has on sale—and, furthermore, I can recommend him as one of the best opticians I know of, which can be certified to by quite a number of our citizens in Iola. Proprietor Iola Mineral Well, Iola, Kansas

IOLA, KANSAS, May 19, 1881. This certifies that about one year ago I purchased two pairs of spectacles—one pair for my wife and one pair for myself—which have given entire satisfaction, from Dr. H. H. Yost, and I cheerfully recommend him to the public as an opticism of the first-class.

C. H. ROULSON, M. D.

IOLA, KANSAS, MRV 19, 1884

My wife purchased glasses of Dr. H. H. Yost, in Girard, Kansaa, about eighteen months ago, which have proven entirely satisfactory, and I cheeriuily recommend the Doctor as an optic-

RECEPTION TO THE WESTERN DELE-Augusta, Me., June 10.—The western delegation, accompanied by several prominent persons of this city,
visited the National Soldiers' home
this afternoon. In the evening there
was an informal private reception
given by Blaine to the delegates. A
small number of invitations were issued to prominent citizens and about
one hundred person were in attend
The westthere were rumors of shortage in his account. Mrs. Sheldon has since rereceived two letters in a hand which she
recognizes as her husband's, one dated
at Kansas City, the other at
Blue Springs, in which Sheldon
says he is held in durance by command of members of the mill
company who claim a shortage
and demand a settlement. The friends
of Sheldon in England have referred the army, reports the facts as developed by the evidence, and concludes as follows: The court is of the opin-seating Morey and seating his conthibation. In the evening there Preparations were made for a large numfraudulent, yet the evidence form league was formed here to-day one hundred person were in attendber of invited guests, only a portion of whom were present, owing to the unfavorant hour was spent in social conversa-
